Attention Vicki Lewis

Dear Vicki,

I'd like to take a moment to thank you on behalf of the Board of the Redland Foundation for your recent generous sponsorship to our Christmas in July fundraiser.

The success of this event was only possible through the support of people and businesses like yours. We are delighted to say that we raised a total of \$16,566. Those funds have already been distributed between two needy organisations – being The Cage Youth Foundation and The Redlands Community Centre. These organisations help Redlanders around homelessness, domestic violence and other areas of need.

The Redland Foundation is a philanthropic organisation that collects funds through donations, bequeaths and fundraising events in order to give to those most in need. Since the Foundation's inception, we have been providing grants of between \$100,000 and \$150,000 per annum to a large range of Redland Community groups – many of whom in turn help, support and care for Redland people, some of whom are in dire need.

Once again, I very much thank you for your generous contribution; it is very much appreciated.

Yours faithfully
